## Presenter: George Krstic

Currently, **GEORGE KRSTIC** is busy scripting a live-action horror feature with acclaimed Japanese director **Ryuhei Kitamura**, (*Midnight Meat Train*, *Azumi*) as well as serving as writer/producer on his own upcoming feature - *The Dark Vault*, an animated horror project. Additionally, Krstic is in talks to adapt *The Five Killers*, a sci-fi action series concept he developed with Eric Calderon (*Afro Samurai*) and Mark Waid (*Kingdom Come*) as a live-action studio feature. George's other credits include writing for television - the Emmy-nominated *MTV Downtown*, and most recently, George Lucas' new *Clone Wars* series, as well as co-creating the fan-favorite Cartoon Network series, *Megas XLR*. For more information go to: [www.georgekrstic.com](http://www.georgekrstic.com).

## Presenter: Eugene Son

**EUGENE SON** has written for shows such as *Storm Hawks*, *Iron Man: Armored Adventures*, *Ben 10*, *Ninja Turtles*, *Duel Masters*, *Care Bears*, *My Friends Tigger & Pooh*, and has done development work for companies like Cartoon Network and Hasbro. He graduated from the University of California at San Diego with a degree in Literature Writing, and was a winner in a Klasky Csupo screenwriting contest in 2001. Check out: [www.eugeneson.com](http://www.eugeneson.com).

## Presenter: Will Feng

**WILL FENG** has been a production manager / coordinator for animated shows such as *Metalocalypse (Season 1)*, *Lou and Lou Safety Patrol*, *Alligator Manners*, and *Snoop Dogg's Hood of Horrors*. He has also been part of many different shorts, promos, and commercials for TV. Will graduated from Cal State Long Beach with a degree in Film Production. ## Eric Calderon's: The Five Killers

**The Five Killers** is an original creation from writer/producer **Eric Calderon**, currently in development as an animated TV series (12 episodes with a 1 hour finale) with Studio Gonzo. The designs were created by up-and-coming manga artist **Shigeki Maeshima**. The pilot was animated under the direction of 'Trinity Blood' director **Tomohiro Hirata**. The original script is being written by **George Krstic** (creator Megas XLR, series TV script writer for Star Wars Clone Wars) and famed US comic book writer **Mark Waid** (Kingdom Come, 52, JLA, and the Flash). The Five Killers is a production of GDH International.

*Synopsis: When the best five killers are hunted by the ultimate assassin: 3 Die. 2 Survive. 1 Lives... Forever. Set in the high tech, high stakes world of espionage and global conspiracy, The Five Killers reunites the world's greatest assassins years after their bitter retirement. One of them has been found murdered, and the message is clear: they're next. Meet The Killers: SWORD, BOMB, GUN, KNIFE, and VAMPIRE at: <http://web.mac.com/eric.calderon/>*
